

ADVERTISEMENT FOR BIDS

Notice is hereby given that sealed bids will be received by Burlington, County, New Jersey, for Florence Township Public Works Fuel Station (the "Project") until 10:00 AM prevailing time on February 9 th, 2023, at which time the bids will be opened and publicly read aloud in the Florence Township Municipal Building Courtroom at 711 Broad Street, Florence, New Jersey 08518. Bids received after the designated time shall be deemed unresponsive and shall not be opened.

The Project generally includes: the installation and construction of a 12,000-gallon split fuel tank for unleaded and diesel, fueling system, filtration, fuel dispenser, concrete foundations, overhead canopy, electrical, an asphalt pavement driveway, concrete slabs, concrete curbing, drainage inlets and piping, fencing, manual gates. Proper signage and striping must be applied along the drive as well as site excavation, grading, and landscaping. Contractor must tie new asphalt pavement drive and connect it and the concrete curb and gutter seamlessly to the existing asphalt roadway of Summer St. along with its corresponding gutter and curb. An Alternate Bid for the demolition of existing fueling station is also included.

Drawings, specifications, and contract documents for the proposed Project, prepared by Environmental Resolutions, Inc., Consulting Engineers, have been filed in the Office of the Conflict/Special Projects Engineer at 815 East Gate Drive – Suite 103, Mount Laurel, New Jersey 08054, and may be inspected by prospective bidders during normal business hours.

Bidders may obtain copies of the drawings, specifications and contract documents from the Office of the Township Engineer upon payment of Fifty Dollars and Zero Cents (\$50.00). Checks should be made payable to Environmental Resolutions Inc. The payment for such documents is non-refundable. If the bidder requires the documents to be mailed to them, there is an additional Fifteen Dollars and Zero Cents (\$15.00) fee for postage.

Bids must be made on the standard proposal form contained within the drawings, specifications, and contract documents, in the manner designated therein and required by the specifications. Further, bids must be enclosed in a sealed envelope bearing the name and address of the bidder and the Project title on the outside, and addressed to: Ms. Nancy Erlston, Township Clerk, Florence Township, 711 Broad Street, Florence, NJ 08518.

Each bid must be accompanied by (i) all documents listed on the Bid Document Submission Checklist, as applicable, and (ii) a bid guarantee in an amount not less than Ten Percent (10%) of the total bid price as established in the proposal, not to exceed Twenty Thousand Dollars and Zero Cents (\$20,000.00). The bid guarantee must be in the form of a bid bond, certified check, or cashier's check, must be drawn to the order of Florence Township and must be delivered simultaneous with the sealed bid.

Bidders are required to comply with the requirements of N.J.S.A. 10:5-31 et seq., N.J.A.C.17:27, and all other applicable laws referenced within the drawings, specifications and contract documents.

Florence Township reserves the right to (i) reject all bids pursuant to N.J.S.A. 40A:11-13.2 and (ii) to waive minor informalities and/or non-material exceptions in any bid should it be in the interest of the Florence Township to do so. Further, Florence Township shall reject any bid that contains material nonconformities or conditions or which is materially nonresponsive. In the event Florence Township does not reject all bids as permitted under N.J.S.A. 40A:11-13.2, in accordance with N.J.S.A. 40A:11-4, and other applicable laws, the Project will be awarded to the lowest responsible bidder.

By order of the Township Council of Florence, Burlington County, New Jersey.

**FORM OF PROPOSAL
FLORENCE TOWNSHIP PUBLIC WORKS FUELING STATION**

For the Public Works Fueling Station for the Township of Florence Burlington County, New Jersey.

The undersigned, as bidder, declares that:

- (1) (s)he has carefully examined the annexed Advertisement for Proposals, Specifications, and forms for Contract and Bond, and the accompanying drawings therein mentioned;
- (2) (s)he has received, examined and taken into full account the provisions of Addenda Number _____, dated _____.
(if none, so state)
- (3) (s)he has familiarized himself with all Federal, State and local laws, ordinances, rules and regulations affecting the proposed Project;
- (4) (s)he has visited the sites of the work and made such independent investigations as he deems necessary; and
- (5) (s)he has examined fully into the conditions, costs and expenses involved in the performance of the proposed work;

and (s)he hereby proposes and agrees that if this proposal is accepted (s)he will enter into contract with the Township of Florence, in the County of Burlington, to provide the necessary equipment, machinery, tools, power, labor, services, hauling, superintendence and all materials and things required for, and will do and perform all work of installation, construction and completion of the entire Project described in said Specifications and/or illustrated on the drawings, all in entire accordance with the requirements of the said Specifications, for the following prices, to wit:
