5th ANNUAL ERI SCHOLARSHIP PROGRAM

This document/application can also be viewed on our website at erinj.com

Since our establishment in 1990, Environmental Resolutions, Inc. (ERI) has provided exceptional engineering, environmental, and land use planning services to the private and local government sector throughout the State of New Jersey. Our firm provides vital services such as Civil Engineering and Roadway Design, Construction Management and Inspection, Recreation and Parks Design, Landscape Architecture, Land Use Planning and Redevelopment, Bridge Inspection, Traffic Engineering, Structural Engineering, Dam Inspection, and Demolition and Asbestos Management. We also perform services such as Stormwater Management, Water and Wastewater Engineering, and Solid Waste Management. In addition, we have Licensed Site Remediation Professionals (LSRPs) on staff who perform all aspects of environmental remediation services.

ERI is pleased to offer a \$2,500 scholarship to one deserving undergraduate college student. The ERI Scholarship program was initiated to recognize exceptional students who, at a minimum, are entering their third year of study in one (1) of the following academic disciplines at their college/university:

Civil Engineering, Environmental Engineering, Environmental Science, Geology, Geography/Community & Environmental, GIS, Engineering Technology, (Environmental) Planning and Design, Planning and Public Policy, Construction Management, Surveying or Landscape Architecture

Applications are due June 30, 2023, and the scholarship will be awarded in July 2023.

Purpose:

The purpose of the ERI Scholarship is to recognize exceptional undergraduate college students who are pursuing academic majors that are consistent with ERI's mission of providing excellent engineering, environmental and planning services.

Eligibility:

To be eligible for the ERI Scholarship, applicants must currently be enrolled full time at any college/university in the fall semester 2023, and meet the following requirements:

- Major declared in one of the academic disciplines listed above.
- Reside/Have a permanent address in one of the following NJ Counties:
 - Atlantic
 - Burlington
 - Camden
 - Cape May
 - Cumberland
 - Gloucester
 - Mercer
 - Monmouth
 - Ocean
 - Passaic
 - Salem
 - Somerset
- Must provide proof of permanent address in form of valid government-issued identification.
- Must, at a minimum, be entering their third year of study in one (1) of the academic disciplines listed above.
- Obtained a minimum 3.0 GPA.
- Has not previously interned or worked for ERI or is not directly related to any current or past ERI staff member.
- Be of good character and have no criminal record.
- Conducted Community Service and/or participated in Extracurricular Activities while attending college.
- Be recognized by at least one (1) professor for their academic success.

Applications must include:

- Completed Application Form.
- Completed Essay Template Form explaining why the applicant chose his/her major, what career he/she plans on pursuing and what goals he/she expects to attain.
- Official or non-official college transcript (must be inclusive of the Spring 2023 semester).
- Proof of permanent address (government-issued ID such as passport, driver's license, or voter ID).
- At least one (1) signed recommendation letter from a professor in the student's academic major.

Selection:

- Selection is based on the application and essay submitted by the student, stated interest in their field, academic performance, community service/extracurricular activities, positive character, and recommendation letter(s).
- All submitted applications will be reviewed by the ERI Scholarship Committee for recommendation to the firm's principals for final decision and award.
- The ERI Scholarship Committee reserves the right to recommend that no award be made in a particular year if no meritorious applications are received.

Award:

- One (1) \$2,500 scholarship will be awarded.
- Recipients will be notified of selection by email by July 30, 2023.
- Recipient name and photo will be incorporated into ERI's social media announcement of the award. The scholarship winner agrees to come to the ERI office in Mt. Laurel for a public relations photo.
- The scholarship is to be used for tuition and will be disbursed for the 2023 fall semester.
- Depending on the college/university procedures, student award funds will be sent to either the student directly or the college/university and deposited to the student's school account where these funds will be applied (in full) to their tuition.
