

NOTICE TO BIDDERS

1. PROPOSALS: Sealed bids for the following: **“2025 Voorhees Road Improvement Program”** (Project #27130 25) will be received on Wednesday, June 3, 2026, at 11:00 A.M. at which time bids will be publicly opened and read aloud at the Municipal Building, located at 2400 Voorhees Town Center, Voorhees, New Jersey. All bids must either be hand-delivered to the Municipal Building or sent by certified mail, return receipt requested, to the Municipal Building prior to the time and date when the bids will be opened. Mailed bids shall be sent to the Municipal Building and addressed to the Township Clerk, 2400 Voorhees Town Center, Township of Voorhees, NJ 08043. These bids will then remain sealed until they are to be opened on June 3, 2026. Bids will not be received after the specified time. Each proposal must state the name and address of person, firm or corporation interested in the same as a principal. Proposals must be submitted in a sealed envelope, addressed to the Township Clerk, Township of Voorhees, and identified as bid for: **“2025 Voorhees Road Improvement Program.”**

The Township Committee and its Solicitor will be the sole discretionary body for consideration or rejection of the proposals.

2. SPECIFICATIONS: Specification and Form of Bid Proposal for: **“2025 Voorhees Road Improvement Program”** have been filed in the Office of the Project Engineer at 815 East Gate Drive – Suite 103, Mount Laurel, New Jersey 08054, and may be inspected by prospective bidders during normal business hours.

Bidders may obtain copies of the Drawings, Specifications and Contract Documents from the above office upon payment of seventy-five dollars (\$75.00). Checks should be made payable to Environmental Resolutions Inc. The payment for contract documents is non-refundable. If the contract documents are to be mailed there is an additional twenty (\$20.00) fee for postage.

The successful bidder shall supply all labor, materials and equipment required to complete the work as set forth in the general provisions of the contract, including General and Supplementary Conditions and Technical Specifications. The proposed work includes the milling and overlay, concrete improvements, drainage improvements, installation of a traffic signal, striping of roadways and traffic markings and related appurtenances.

3. WITHDRAWAL OF BIDS: Any bid may be withdrawn prior to the above scheduled time for the opening of bids or any authorized postponement thereof. Bids received after time and date designated shall not be considered. No bidder may withdraw a bid for a period of sixty (60) days after the actual date of the opening thereof.
4. PRICES: Proposals shall be submitted on the appropriate form properly filled out and duly executed. The bidder shall state unit price bid in the proposal required to fulfill the intent of these specifications.
5. CONTRACT: The successful bidder shall, within ten (10) days after official acceptance by the Mayor and Township Committee of the Township of Voorhees of his bid, execute a contract and deliver same to the Township Clerk. Failure to do so will be considered as an abandonment of the contract. The form of contract will be furnished to the successful bidder by the Township Solicitor.
6. BID SECURITY: Must be in the form of a certified treasurer’s or cashier’s check or bid bond in the amount of 10% of the bid amount, not to exceed Twenty Thousand Dollars and Zero Cents (\$20,000.00), is required and should be made payable to Voorhees Township. A Consent Surety Statement and Certification must be submitted. A Certificate of Authority issued by the New Jersey Department of Banking and Insurance must be submitted.

7. GENERAL: The owner reserves the right to reject any or all bids and to accept the bid which best appears to be in their best interest. The owner also reserves the right to consider any proposal invalid which considers furnishing said items which do not conform strictly with that specified. If a nonconforming proposal is not discovered at the time of the bid opening, the owner reserves the right to reject said proposal at any time prior to execution of the contracts by them.
8. GUARANTEE: The said item shall be delivered as specified, serviced and guaranteed strictly in accordance with the specifications. Said manufacturer's specifications and/or instructions shall be hereby made a part of this proposal by the submission of bid and as such should be attached.
9. DISCRETIONARY POWERS OF MAYOR AND TOWNSHIP COMMITTEE: The Governing Body shall not be obligated to accept the lowest bids for the said item and reserves the sole discretionary rights to accept the said item which is in the best interest of the municipality. Determination of suitability in relation to lump sum bid for the use intended of the said item will be solely that of the Mayor and Township Committee of the Township of Voorhees.
10. Bidders must conform with the requirements of P.L. 1975, c. 127 "Affirmative Action" and file the non-collusion affidavit, consent surety and Public Law 2012, c. 25 (Disclosure of Investments in Iran).
11. The Bid shall contain an acknowledgement of receipt of all Addenda, which shall be completed on the Form provided with the Bid Documents and Disclosure statement naming all stockholders whom own 10% or more of the Company.
12. Bidders must submit a valid Business Registration Certificate with any bid submission as well as valid Business Registration Certificates for any Sub-Contractors that are to be utilized.
13. The New Jersey Prevailing Wage Rates shall be made a part of every contract for the performance of the described work where applicable.
14. CHALLENGE TO SPECIFICATIONS: All challenges to bid specifications are to be presented within 3 business days prior to the bid opening and must be in writing. Challenges to the bid specifications filed after the bid opening shall have no effect on bid awards.
15. PROJECT DESCRIPTION: It is the intention of these Specifications and Plans to provide and secure the construction of the 2025 Road Improvement Project in the Township of Voorhees, Camden County, New Jersey complete in every detail as shown or specified, for the prices bid in the Proposal. The proposed work in the base bid generally consists of milling, HMA Surface Course, concrete curb replacement, concrete sidewalk, ADA improvements, traffic striping and related appurtenances.
16. PROJECT FUNDING: The Centennial Boulevard Resurfacing portions of this project are funded in part by a FY 2024 NJDOT Municipal Aid Grant and a FY 2025 NJDOT Municipal Aid Grant. The Haddonfield-Berlin Road Bikeway Improvements portion of the project is funded in part by a FY 2025 NJDOT Bikeways Grant.
